

## Corona News - the most important information

Dear customers,

we are supporting the international effort of social distancing to contain COVID-19.

Our sales team is fully operational working from home-office and can be reached under the normal contact details.

Our prudent stock-keeping policy and workshop operation precautions allow us to continue to supply. However, please bear with us if we fail to meet our usual record time-to-delivery standards.

### We are trying our best!

Sincerely  
Gerulf Moll
